

2021 Healthy Kids Colorado Survey: Middle School

CENSORED

This document includes all questions on the <u>censored</u> middle school version of the Healthy Kids Colorado Survey. When administered online, skip logic is used to streamline the survey experience.

STUDENT INSTRUCTIONS

You are about to take the Healthy Kids Colorado Survey. This survey is about your health and things that affect your health. Your answers are very important and will help your school, community, and state policy-makers improve health programs for people your age right here in Colorado.

This survey is completely anonymous, meaning the answers you give will be kept private. No one will know what you answer and your responses <u>cannot</u> be tied to your student login or device in any way.

Completing the survey is voluntary. You may choose not to answer some or all of the questions. If you are not comfortable answering a question, just leave it blank. Whether or not you answer the questions will not affect your grade in this class.

When you have completed your survey, please read or sit quietly to allow everyone to finish in silence. Thank you for your participation!
